

STOP Newby Island Sanitary Landfill Dump **EXPANSION** **INCREASE** the Size Means Increase the **HARMFUL ODOR**

- Increase in height from 150ft to 245ft, will be the highest dump in Bay Area.
- Extension to year 2041, 27 years or more harmful odor suffering
- The dump as a public nuisance currently affects 13 schools with thousands of students. After the expansion, more kids will grow up inhaling harmful odor.
- Stop the dump expansion in order to protect our children's health, to save our cities from being destroyed by the monster dump.
- Sign the petition to stop the record height expansion and tell your neighbors and friends.

Enough is Enough! Want No Odor Air for Our Children?

Please sign online petition today: www.tinyurl.com/stoplandfill

Thousands of children and students are smelling the harmful odor.

The dump increase to 245ft will negatively impact countless of residents, businesses, commuters and the environment in Milpitas, Fremont, San Jose, Alviso, Santa Clara, Union City, and Sunnyvale.

There are homes, parks and offices as close as 0.2 miles

Why expand the dump in an urban area while others have closed?

The dump has a long history of landfill gas violations threatening health and safety.

ENOUGH IS ENOUGH !

NO TO EXPANSION !

SAVE OUR FUTURE !
